

Looking at plans online? It can be fun scrolling the internet, but also make you dizzy! There are so many styles and options out there. You can spend months searching for the perfect house plan and still feel like you're *never* going to find it. We hope we can ease the stress, by helping you define the basics.

Prioritizing your family needs is going to be **key** when deciding on the layout of your dream home. This part of the process is all about focusing on how your family functions day in and day out. It's helpful to be clear on what your needs are before you spend hours on end searching for plans. With hundreds of thousands of plans online, it's easy to get lost in big, beautiful homes with all the bells and whistles. Building can get expensive in a hurry, so it's important to focus on what's most important. Here are a few questions to help keep you on track...

WHY ARE YOU BUILDING THIS HOME?

WHERE DO YOU SPEND THE MOST TIME IN YOUR CURRENT HOME?

WHAT OVERALL FEATURES ARE IMPORTANT TO YOU?

WHAT DESIGN ELEMENTS ARE IMPORTANT?

OTHER WISHES

We hope you enjoy filling this out, gain some clarity and keep this worksheet handy as you scour the internet for your dream house plan.

Happy house plan hunting!

John and Megan
